Don't Let Your Batteries Come Back To Haunt You!

Please Help Prevent Truck Fires

NO lithium batteries (phones, e-cigarettes, laptops, tablets, e-bikes, vapes, power tools, etc.), aerosol cans, flammable or combustible materials in the trash or recycling totes!

Skip the Bin, Turn Your Batteries In:

- **Battery Recycling** - BatteryNetwork.org
- **Battery Education** - BatterySafteyNow.org
- **Electronics** - SunnKing.com

More than 89 deaths related to lithium battery incidents since 2020 - (LIL solutions)

448 fires in 2025 reported at waste & recycling facilities across the U.S. & Canada - (Ryan Fogelman)

$22M loss per facility caused by fires at waste & recycling processing facilities - (Recycle.com)

SAFE BATTERY DISPOSAL AND DROP-OFF LOCATIONS!
