

NATIONAL BLOOD CLOT ALLIANCE

FOREVER YOUNG FUNDRAISER

In Memory of:

PAUL ENGLERT, JR.

1/11/94 - 9/19/13

Sunday, March 6, 2016

1:00 pm – 5:00 pm

Paul and Denise Englert lost their only child, Paul, Jr., on September 19, 2013. He was a very healthy, active, smart, compassionate 19 year old, who was also an athlete, until a pulmonary embolism took his life, suddenly, while he was attending the University at Buffalo to become a civil engineer. Paul had no known risk factors and barely any symptoms.

While still in shock and struggling with their journey, Paul and Denise feel compelled to bring awareness to blood clots, especially pulmonary embolisms, which can affect anyone at any time with no warning. However, if diagnosed, blood clots CAN BE TREATED. Please join them in raising funds on behalf of the National Blood Clot Alliance, a 501(c)(3), non-profit, voluntary health organization dedicated to advancing the prevention, early diagnosis and successful treatment of life-threatening blood clots.

LOCATION: **Clarence Fire Hall**
10355 Main St.
Clarence, NY 14031
