

'Scare Fair': Six Flags Darien Lake hiring more than 200

Six Flags Darien Lake is looking for team members who aren't scared of the dark to be a part of Western New York's largest annual Halloween event, "Six Flags Fright Fest."

Recognized for the fifth year in a row as one of the Nation's Best and Brightest Companies to Work For, Six Flags Darien Lake is hosting its first live "Scare Fair" from 2-6 p.m. Friday, Aug. 13. The park is hiring for over 200 ghostly positions such as monsters, zombies and make-up artists. Appli-

cants should apply online at www.sixflags.com/jobs or text SCARE to 220MONSTER.

"'Fright Fest' is back ... bigger, better and scarier than ever this season," President Mark Kane said. "We're looking for talented people who want to get into the Halloween spirit and help deliver the chills and thrills that we're known for."

Seasonal team members who are hired by Oct. 11 and work through Oct. 31 can earn up to an additional \$500 to \$1,000 or more with a 10%

bonus for wages earned from August through September and a 15% bonus for wages earned in October. To receive the bonus, employees must be hired by Oct. 11 and continuously employed through Oct. 31, without prior notice of an intention to resign. Offer applies only to U.S., nonunion, seasonal positions. Bonus shall be paid on total straight-time and overtime wages earned during the applicable bonus period. Further details are contained in the Six Flags seasonal retention bonus program document.

Trucks return for fun, free day for families at Canalside

This year, Explore & More - The Ralph C. Wilson, Jr. Children's Museum's annual "Touch A Truck" event returns. The community is invited to come and join in the fun at Canalside in Buffalo from 10 a.m. to 3 p.m. Aug. 28.

More than 50 trucks will be parked around Canalside for a fun outdoor event for the whole family. Thanks to M&T Bank and Dunn Tire, children can explore construction, utility, and first responder vehicles; honk the horn of a firetruck or sit in the driver's seat of the pink cement truck mixer - all for free. Families can meet special guests; participate and enjoy engaging activities; and go home with some fun giveaways and prizes. Plus, families can enjoy barbe-

cue from Fat Bob's food truck. The day starts with a sensory hour from 10-11 a.m. for those who are sensitive to loud noises.

Fisher-Price will be on site with their Rescue Heroes Fire Truck; families can pick out a prop and strike a pose in one of their selfie stations. Be sure to say "hi" to the Cast & Play Crew as they sign up little ones to be the star of the next Fisher-Price package.

Tripi's Landscaping will have an activity station where children can get their hands dirty with a planting activity and then honk the horn of the landscaping vehicles.

The fun continues inside the museum. There will be storytelling, car-painting, and other activities in the museum's Art Studio and

Tinkering Tank; a scavenger hunt with prizes, sponsored by Highmark Blue Cross Blue Shield; a photo station for families in which they can take home a picture to remember the day; and other on-the-spot activities throughout the museum and more surprises.

While registration is not required to attend "Touch A Truck" outside at Canalside for free, those planning to go into the museum do require a ticket.
