LCA, HAL participating in 10 Mile weekend

As part of the 28th annual 10 Mile Garage & Sidewalk Sale in the Niagara River Region, two nonprofit organizations will have unique items available for purchase.

The Lewiston Council on the Arts is offering a cornucopia of cultural treasures at 475 Ridge St., Lewiston – behind the Frontier House and International Peace Garden.

LCA Artistic Director Eva Nicklas said, “We have a beautiful display case, costumes, props, paintings, prints, holiday stuff, craft supplies. ... Members, friends and supporters are dropping off items for sale. Twenty years worth of accumulated cool stuff.”

The Historical Association of Lewiston is hosting a sales event at the Lewiston Museum. Assorted items will be available at 469 Plain St., Lewiston.

HAL had to cancel the 2020 Tour of Homes – its major fundraiser – and has at least postponed “Lewiston Jeopardy” – due to the coronavirus pandemic.

“The expenses of the Historical Association go on, however, so we are implementing several new ideas that we can accomplish,” President Ken Slaughenoupt recently told this newspaper.

The association is selling raffle tickets for cash prizes to be drawn weekly over the next two months. Tickets are available from any HAL board member and will be on sale garage sale weekend and through Patti Mahony at the museum.

“We are also working on new ideas for fun and education. Keep in touch through our website at www.historiclewiston.org,” Slaughenoupt said.

Shop Small, Shop Safely

The 28th annual 10 Mile Garage & Sidewalk Sale is Niagara County's largest such event. It runs Aug. 21-23 in the Town and Village of Lewiston, the Village of Youngstown and the hamlets of Sanborn and Ransomville.

Full maps can also be accessed on the pages that follow and online or on the go via www.wnypapers.com.

And don't forget to stop by and shop and dine at locally owned businesses.

Please note: Anyone holding or attending a garage/yard sale during the pandemic should adhere to New York state guidelines for social distancing, wearing a mask, using hand sanitizer and limiting crowds. Visit the “New York Forward” website for more information: <https://forward.ny.gov/>.
