

Youngstown Lions announce 2021 holiday Outdoor Lighting Contest winners

Youngstown Lions Club President Terry Cummings announced the winners of its 2021 holiday Outdoor Lighting Contest of residences in the Village of Youngstown and Town of Porter. Winners included:

• First place – 3639 Hillview Drive in the Youngstown Estates neighborhood, with a \$100 prize awarded; second place – 592 Applewood Drive in the village’s Parkside neighborhood, \$75 prize; and third place – 455 Lockport St., in the village, \$50 prize.

The Youngstown Lions Club sponsors the annual Youngstown Lions Outdoor Lighting Contest. Judging was based on originality, creativity and Christmas/holiday spirit.

“The officers and members of the Youngstown Lions Club would like to congratulate the Youngstown/Porter community on their festive displays and wish everyone safe happy holidays!” Cummings said.

The winning entries are pictured.

First place – 3639 Hillview Drive

Second place – 592 Applewood Drive

First place – 455 Lockport St.

Wilson Lions celebrate Christmas

The Wilson Lions Club’s annual Christmas party took place at the historic Wilson House. After a two-year pause due to COVID-19, the event took place with a host of guests. In attendance were two Lions past district governors: James Muscoreil (Wilson Lions) and Jeffery Jarvis (Pendleton Lions).

Local vocalist and Lion Judy Rodgers entertained the group with a solo of “Carol of the Manger,” and then led the group into a spirited round of Christmas carols.

Lions President Anne Basile said the theme for the new year is “Make Volunteering your New Year’s Resolution! Join a Lions Club!” She said the club will host a “Meatball Throwdown Contest” fundraiser in February.

For more information, contact Basile at SpelloftheYukon@aol.com or 716-830-4151.

The paper industry plants more than it harvests and today there are 25% more trees in the developed world than in 1900. Paper is biodegradable, renewable, and sustainable. Growing and harvesting trees provides jobs while forestry plantations provide clean air, clean water, wildlife habitat and carbon storage. A decline in the demand for paper products risks a decline in sustainable managed re-growth forests. Use print, it is tangible, it is effective in getting your message across and when recycled it will come back to us as paper or board. In 1992 there was 360% more wood in the forest than in 1920. 60% of paper today is recycled compared to 18% of electronic devices. Reading a newspaper everyday spends 20% less carbon-dioxide than reading an online news source for 30 minutes a day.
