Happy Holidays
 To All Our Niagara County Tribune/Sentinel Carriers

Dear Carrier,
 The newspaper carrier's role is a vital one for it involves direct service to the public in the delivery of our product. Without a first rate delivery service all the other jobs that go into making the newspaper are incidental. We can gather the news, write it, take pictures and print it, but only you the carriers, travel through rain, sleet and snow to make sure the readers realize the effort of that work. It is a big responsibility and we depend on you not to let us down. Your dedication and hard work has earned you the gratitude and admiration of all of us at Niagara Frontier Publications and the appreciation of our readers.

Thank you for a job well done!
