Serve up warmth for the holidays

People often associate holiday imbibing with eggnog, but many other beverages can be enjoyed this time of year. Wassail is a hot, mulled cider that was traditionally consumed while wassailing, a ritual of Medieval English Christmas and Twelfth Night celebrations. A warm beverage and caroling go hand-in-hand. Wassail can be made in many different ways, depending on one's tastes. But cider is an integral ingredient in most wassail recipes. Home cocktail creators can use this basic recipe and modify as they see fit.

Wassail Serves 8 to 10

- 1/2 gallon apple cider
- 2 cups orange juice or pineapple juice
- 1/4 cup lemon juice
- 8 whole cloves
- 4 cinnamon sticks
- 1 cup orange juice
- Whiskey, if desired

Add all ingredients to a large pot over medium heat. Allow to boil. Reduce and simmer for 30 to 45 minutes. Strain out the cloves and cinnamon sticks. For an alcoholic drink, add whiskey to desired taste.

Wassail is traditionally served out of a communal punch bowl, but can also be presented in individual mugs garnished with cinnamon sticks.
