Mason FOREVER Foundation announces first scholarship award

The Mason FOREVER Foundation announced Brendan Perreault of Lewiston, a bio-medical major at the University at Buffalo, as the recipient of its first scholarship award.

The Mason FOREVER scholarship is named in honor of Mason Sawyer Monte Leone, an interdisciplinary health science major student at the University of Florida in Tallahassee, who was tragically killed in a car accident at the age of 21. Monte Leone had interest in becoming a physician assistant or an orthopedic surgeon. He was a graduate of Canisius High School in Buffalo and attended middle school at Lewiston-Porter.

The scholarship is made available to a student who is enrolled in an accredited university/college in the U.S. and is pursuing a degree in the medical, health or fitness fields.

Perreault was presented the \$2,000 scholarship on Aug. 16. The award is based on Perreault's course of study, his GPA and the student's commitment to the medical professions, sports involvement and community service.

In addition to the scholarship award, the Mason FOREVER Foundation supports the community and youth interested in medical, health, fitness and sports. Currently, the foundation, via a Got Sneakers fundraiser, is collecting used or new sneakers and cleats to benefit Lew-Port Youth Football. Residents are welcome to drop locations at Lewiston's Village Fitness Club, Lewiston Dance, the Monte Leone residence, and 190 Oliver St., North Tonawanda.

For more information on the foundation, visit its website at www.masonforever.com.
