

EXTENDED HOURS: Cuomo signs executive order extending restaurants, bars & other SLA-licensed entities closing times to 11 p.m.

Closing time extended to gyms and fitness centers, casinos, billiards halls

Gov. Andrew Cuomo on Sunday announced that, given the continued decline in hospitalization and infection rates throughout New York, he signed executive order 202.94, extending closing times for bars, restaurants, gyms and fitness centers, casinos, billiards halls, as well as other State Liquor Authority-licensed establishments, from 10 to 11 p.m. statewide.

"Hospitalizations and the positivity rate continue to decline, and with the holiday surge now in our rear-view mirror, we must keep taking steps to further reopen the economy safely and responsibly," Cuomo said. "Accordingly, I have

already signed an executive order to move the closing times for restaurants and bars to 11 p.m. statewide, and now we will do the same for gyms and fitness centers, casinos, billiards halls and any other location with an SLA license. As we move forward, we will continue to follow the science and data and take these kinds of steps to help us finally return to normal."

On Friday, the governor announced closing times for restaurants and bars would be extended from 10 to 11 p.m. statewide, and this executive order extends that closing time for gyms or fitness centers, casinos, billiards halls, as well as any SLA-licensed establishment.

Welcome to Webster Street, SPoT Coffee

From Mayor Arthur Pappas:

The City of North Tonawanda will host a public "Welcome to Webster Street" event for downtown North Tonawanda's newest business, SPoT Coffee, at 1 p.m. Friday, Feb. 19.

Located at the newly redeveloped 54 Webster St., SPoT Coffee features a robust beverage menu with coffee, tea, espresso and smoothies. Using only the freshest ingredients – and with an eye for unique and colorful flavor – its daily menu features breakfast and lunch items such as salads, sandwiches, baked goods and pizzas.

54 Webster St., the historic former G.C. Murphy department store building, was purchased by local developer Ralph Dailey in 2018. This mixed-use property will include El Gringo Mexican Cantina in the storefront adjacent

to SPoT Coffee, as well as secondary apartment units and additional commercial tenants.

Director of Community Development Michael Zimmerman said, "Redevelopment of this iconic mixed-use building in our downtown will draw new visitors to the Tonawandas, add jobs, and leverage the ongoing state and local investments made in our downtown."

Pappas added, "Thank you to Mike and Community Development for getting this project off the ground. We are glad to have another great addition to our downtown area. Thank you, as well, to Ralph for choosing North Tonawanda. We're glad to have you in our city."

Masks and social distancing will be enforced at this event.
