

## Niagara-Wheatfield 2020 grads get a special year-end celebration.

Niagara-Wheatfield High School's Class of 2020 got a send-off to remember on Saturday, June 20. After a year filled with uncertainty and setbacks, school administrators worked with students to create a unique three-part graduation ceremony that included a virtual ceremony, drive-up commencement and a community parade led by community first responders, including the Lewiston Police Department.

Traditionally, N-W seniors make a year-end visit to each of the district's elementary schools. Donning their cap and gown, the seniors take part in a walk-through parade to the delight of the younger students.

As such, school administrators setup this year's community parade route to pass each of the district's four elementary schools: Colonial Village, Edward Town Bridge, Tuscarora Indian School and West Street – in honor of that tradition.

Hundreds of community residents came out on the warm summer afternoon to cheer on the graduates as they drove by. Many camped out in the cars, giving the whole affair a delightful festival atmosphere. (See photos on Page 10)
