Good Samaritans

Students in the Good Samaritan Club at Cardinal O'Hara High School made fleece tie blankets for patients at Roswell Park Comprehensive Cancer Center. On June 7, some of the members, accompanied by their adviser, Renee Orr, delivered nearly 20 blankets to Roswell.

Showing off some of the handiworks are, from left, Kolton Muldowney, Emily Hanes, Bethany Mandaville, Wilson Hendershot and Jacob Joldos.

The project will be an ongoing one for the club, which focuses on outreach projects that keep patients warm while being transported to and from treatments in the hospital. (Submitted photo)

'Road Rally' to benefit Historical Society

The Niagara County Historical Society will hold its second annual "Road Rally" fundraising event on July 9. A press release noted the rally is not a race, but a contest testing a team's driving skills, knowledge, powers of observation, memory, and the ability to do simple calculations. Participating vehicles will be given a departure time, route instructions, and a sealed envelope containing the rally end point (just in case they become hopelessly lost).

The leisurely drive will only be part of the fun. Teams will be tasked with decrypting clues, identifying landmarks, and recording information as they travel along the route. On arrival at the destination, each team will turn in their driving log with the recorded information for scoring.

Participants will be required to start the rally with at least two team members (driver and navigator), but the only limit to the size of a team will be the legal capacity of the vehicle.

The 2022 entry fee has been kept at \$50 per vehicle to help drivers offset this year's additional cost of fuel. Advance registration, which is required, can be made by calling the History Center at 716-434-7433.
