

'Street Dance' returns to Youngstown

At long last, the River Region community was able to come together in a celebration – minus the masks and restrictions – for the holding of the 11th annual "Beginning of Summer Street Dance and Car Cruise" last week on Youngstown's Main Street strip.

An event that was lost to COVID-19 last year, the June 17 event, organized and staged by the Youngstown Business and Professional Association following approvals by the Village Board, came off without any major problems. Crowds of all ages enjoyed the rock 'n' roll sounds of the Thurman Brothers Band throughout the evening. Kids, meanwhile, were kept busy with a number of fun activities, including a chalk walk, hula-hoops, coloring and rock painting; adults checked out some neat rides at the car show and socialized with friends; and various foods and drinks and were to be had, thanks to the last-minute work of a number of Youngstown businesses and community organizations.

All in all, it was a great way to kick off summer and celebrate the return to "normalcy." For more, see the special YBPA "Thank You" online at www.wnypapers.com. (Recap by Terry Duffy; photos by Wayne Peters and K&D Action Photo & Aerial Imaging)
