# NYS: COVID-19 vaccination appointments now available at Conference & Event Center Niagara Falls

Site will open Friday, March 19; operate from 8 a.m. to 7 p.m. daily

Eligible New Yorkers can make appointments using 'Am I Eligible' website or calling COVID-19 vaccination hotline at 1-833-NYS-4-VAX

Gov. Andrew Cuomo on Wednesday announced appointments are now available at 10 new state-run mass-vaccination sites across the state, including The Conference & Event Center Niagara Falls at 101 Old Falls St. All 10 sites will open Friday, March 19, and will operate from 8 a.m. to 7 p.m. daily. Each site will have the ability to vaccinate more than 1,000 New Yorkers daily, dependent on supply from the federal government.

Appointments at the sites located in New York City, Long Island, Hudson Valley, Capital Region, Southern Tier, Mohawk Valley and Western New York regions are available for booking today and are in conjunction with the opening of new vaccination sites on Long Island as previously announced by the governor on Monday.

Eligible New Yorkers will be able to schedule appointments by utilizing New York's "Am I Eligible" website or by calling the state's COVID-19 vaccination hotline at 1-833-NYS-4-VAX (1-833-

697-4829).

A press release said, "The addition of these 10 sites further expands New York's already vast vaccine distribution network. Not only has New York previously opened 13 state-run mass-vaccination sites, but also in order to meet the governor's mandate to ensure the fair and equitable distribution of the vaccine, sites have been

established to ensure those New Yorkers living in underserved communities have direct access to the vaccine. This includes six joint state-FEMA community-based vaccination sites, the Yankee Stadium mass-vaccination site, and more than 145 community-based pop-up sites in public housing developments, churches and community centers."

## COVID-19: Wedding receptions & catered events can resume statewide

All venues hosting events subject to strict health & safety protocols

Gov. Andrew Cuomo on Monday announced wedding receptions and catered events can resume statewide. All venues hosting weddings and catered

events must follow the state's strict health and safety protocols, including the following requirements:

- √ Venues are restricted to 50% capacity, with no more than 150 attendees per event

- √ All attendees must have proof of recent negative test result or proof of immunization prior to the event

- √ Sign-in with contact information required to assist with potential contact tracing

- √ Venues must notify local health departments of large events, above the social gathering limit, in advance

- √ Masks will be required at all times except when seated and eating or drinking

- √ Ceremonial and socially distanced dancing allowed in designated areas

Detailed guidance for in-person and catered events is available here.

Effective March 19, New York City indoor dining will expand to 50% capacity and the rest of New York will increase to 75% capacity for indoor dining.

He also announced that, beginning April 2, event, arts and entertainment venues can reopen at 33% capacity, up to 100 people indoors and up to 200 people outdoors.
