LPD, Rec. Dept. taking precautionary measures

Continued from Page 1

"We have a dropbox out front. We want the residents to use the dropbox," Welch said.

She added, "April 1 is the water bills. They have used the dropbox before. Please, do not come in the office. Just put your payment in the dropbox. Anything you need - any forms, building permits, anything, just drop us a line in the dropbox. We empty it every day. We will be able to send you anything you need. Or, with your water bills, just ask us if you need a receipt; we will send a receipt to you.

"Please stay home, and stay healthy, and stay safe."

Recreation Department

Recreation Director Brendan McDermott said, "A lot of ... programs are on hold for right now. The Recreation Department has closed down until further notice. We'll likely mirror what the schools are doing, with regards to closing. If it's not safe for them to be in school, it's not safe for them to collect here, as well."

He added, "In the meantime, we do have recreation staff thoroughly cleaning our facility. You know, it's a good time for us to get organized with different things that are going on for the upcoming summer programs and fall. We'll utilize the time appropriately."

"Hopefully, it won't be long before we can get back up and running again," Welch said.

DPW

Department of Public Works Superintendent Larry Wills said his team is operating as usual.

One addendum to that statement is that water meter installations are postponed.

"They're not going into anyone's house right now," Welch said.

TOPS

DiMino's Lewiston Tops store hours are 6 a.m. until 10 p.m. daily until further notice. Special shopping hours are set aside for those ages 60 and up: 6-7:30 a.m. Tuesdays and Thursdays. To ensure customer safety, all sales are final; refunds, returns and rain check policies are temporarily suspended.

"I had a safety protocol meeting with my crew this morning - especially the (people) that are out picking up garbage and recycling every day - to make sure they're clean when you come back to the facility; they're not leaving gloves in the break room. Just basic safety measures," Wills said.

DPW workers are wearing two pairs of gloves - one latex - as they go about their collection process.

"Larry has had his guys wipe everything down in here, also," Welch said.

Meetings

Municipal meetings are postponed or cancelled until further notice.

"The boards and commissions, they're on a day-to-day basis to see if they're going to hold their meetings," Welch said. "If we don't need meetings, we're obviously not going to hold them. If something can wait, I'd rather we held off on any assembly of people."

Healthline

"People just have to be smart and take this seriously," Welch said. "The sooner they do, the sooner this will go away."

She reminded residents with health-related questions to call the 24-hour COVID-19 hotline at 1-888-364-3065.
