

# Grand Island Board of Education extends thanks

## BY THE GRAND ISLAND BOARD OF EDUCATION

During this unprecedented time of school closures, stay-at-home orders, and social distancing, continual communication is a necessity to ensure we stay connected within our school community. It is also a time to thank those individuals who have stepped up as we unexpectedly transitioned to distance learning in our school district.

We would like to extend a special thank you to our food service manager, Patrick Smith, and his staff including the following dedicated individuals: Tina Blanchard, Christine Halliman, Katie Pawlak,

Nicole Wilkins, Fran Fanara, Mison Al-Naji, Tracy Senn, Cheryl Domowicz, Dan Coughlin, Sonja Little, Michael LaJoie, Ariel Fulbright, Mi Mi, Art Stachoski and Judy Prior. These employees have been working diligently throughout our closure to guarantee students with free or reduced lunches are able to have this service without interruption. Over 1,540 meals are produced daily.

Additionally, our food service delivery volunteers have been amazing, especially Jude Kuehne, Steve Steck, Marty Allen, Brian Willats, Mary Jane Fonte, Sue Wolcott, Rob Hennessy, Cyndi

Booker, Carley Antonelli, Amy Stevenson and Scott Perry. They have been instrumental in delivering food to children during this difficult time.

Teachers and administrators are working diligently to make certain the Grand Island Central School District delivers a continuity of learning to students, and this would not have been possible without Robin Kwiatek, director of instructional technology. This past week, the incredibly hard-working and talented Instructional technology department sanitized over 600 Chromebooks at Huth and Kaegebein for our third-, fourth- and fifth-graders; prepared iPads for distribution to second-grade students; and set up a livestream of board meetings on Google Meet.

They have answered questions

from staff and provided technology support and training at all hours of the day and into the evening. This work would not have been possible without Josh Nichols, Don Boody, Sue Hall, Mark Gorton, Nicole Cannarozzo and Ben Lowe, and we appreciate all of their efforts on behalf of our students and staff.

Additionally, thank you to our dedicated bus drivers, attendants, teachers and administrators who delivered every Chromebook to the homes of hundreds of elementary students.

Our custodians, cleaners, building and grounds and maintenance professionals have been outstanding, as always, and they are working hard to keep our buildings clean, sanitized, and ready for students when they return. Should you see Kevin Astridge, Robert

Dee, Michael DeMartin, Keith Everett, Lisa Gallagher, Joseph Gaynor, James Geblein, Robert Harper, Jeffery Kirsch, Thomas McMahon, Christopher Oursler, Robert Palmatier, Nicole Parvu, Daniel Pedlow, Scott Perry, John Polizzi, Raymond Romalewski, Ronald Rose, Chris Solonek, Colin Thompson, Richard Walworth or Dennis Zgoda in the community, please thank them for their efforts.

Finally, thank you to our district office clerks, many of whom have been communicating with families by answering phone calls and questions; and thank you to each and every parent for your understanding and patience as we navigate through this crisis together. Please stay apart, and keep your children safe in your home, so that we may all be together again soon.

## IN THE NEWS

### American Legion flower fundraiser

The Grand Island American Legion is holding its annual flower fundraiser from 7 a.m. to 6 p.m. (or until sold-out) Friday and Saturday, May 22 and 23. The event will take place at a new location this year: DeGlopper Memorial Park (corner of Baseline Road and Grand Island Boulevard).

The members encourage Island residents to support our veterans.

### NFMCC primary care offering video visits

Patients at Niagara Falls Memorial Medical Center's six primary care sites can now go online to quickly and conveniently meet with their care providers.

Simmanjeet Mangat, M.D., Memorial's medical director of primary care services, said, "This is especially timely given the reluctance some patients may have to leave their homes during the current COVID-19 pandemic."

Through telemedicine, patients will have real-time access to their primary care provider via video visit using a smartphone, tablet or desktop computer. Video visits are available during regular office hours of 8 a.m. to 4 p.m. weekdays. The cost of telemedicine visits is covered by virtually all insurance companies.

Local providers include:

- ✓ Niagara Falls Memorial Primary Care (Golisano Center): 278-4151
- ✓ Summit Family Health Center (suites 200, 500): 297-8260
- ✓ North Tonawanda Primary Care Center: 694-0535
