

Lewiston Garden Club, DPW team up for beautification

On Monday, members of the Lewiston Garden Club potted flowers and plants, pulled weeds and tilled soil at Hennepin Park, the Lewiston Public Library and outside of the Lewiston Historical Museum.

A press release noted, "The Lewiston Garden Club is made up a very enthusiastic group of women who enjoy digging in the dirt and volunteer to put their green thumbs to work for

the benefit of the community. They maintain a vested interest in the landscapes and gardens throughout the Village of Lewiston's public spaces, having taken the initiative to improve the historic village from a gardening perspective for more than 90 years.

"In addition, the Lewiston Garden Club is preparing for the 2021 return of its biggest fundraiser of the year, Lewis-

ton GardenFest, on June 19-20. Proceeds from the event go back into the soil of the local community for civic beautification efforts, including the flowers for this annual planting day."
