## Spring is here

Denise Rezabek of Grand Island reported that a pair of adult eagles visited her backyard on April 22. She lives on Havenwood Lane and her backyard backs up to Woods Creek. "I was so excited to see these beautiful birds, Rezabek said. "Then on May 9 a beaver came ashore. It's the biggest one I've seen on the creek. Spring is definitely here."

Below, Mary Cooke of Grand Island captured a picture below of egrets on March 25 near the creek on the dead end of her street.
