Village of Lewiston:
 Tree lighting out,
 sandwich boards in

SBA: Small businesses
 need our support now
 more than ever

As Niagara County and parts of Lewiston have seen an increase in the number of positive coronavirus cases of late, the village has canceled its tree-lighting ceremony.

The SBA Buffalo District office is encouraging shopping at local small businesses.

The annual event is normally held in Hennepin Park on the first Friday in December. It was slated to take place next Saturday in Academy Park, to provide additional spacing for event attendees.

It said, "Shopping small on Saturday, Nov. 28, supports America's dynamic small business owners and provides critical economic backing to businesses nationwide. This year, we know that small businesses need our support now more than ever as they navigate, retool and pivot from the effects of the coronavirus pandemic."

Now, pending any new micro-cluster action initiative zoning, River Region merchants still plan to be open and welcome in-person and online shoppers for Small Business Saturday, Nov. 28.

Celebrated each year on the Saturday after Thanksgiving, Small Business Saturday allows consumers to make an impact in their neighborhoods by supporting local small businesses. Last year, an estimated 110 million U.S. consumers shopped small that day.

In an effort to further assist local businesses this season and throughout the winter, the Village of Lewiston Board is relaxing its restriction on the use of "sandwich board" or A-frame signs. Trustees agreed use of these signs would be permitted during business hours of operation - so long as the signs are outside of the public's right-of-way.

"Small Business Saturday is about supporting the local businesses in our communities. Shopping small is an opportunity for Americans to support local economies and spur growth during this holiday season and the coming year," SBA Buffalo District Director Franklin J. Sciortino said.

This permission was granted through May 2021.
