she noted. "We have families come; we have people come by boat. ...

"We have a very loyal amount of patrons. Some people come in daily, and we consider them family."

Part of what makes Lumberjack's special is that, like summer weather, it only lasts so long.

"We're only open four months out of the year," Tallichet said. "We always open Memorial Day, and we close the very last day of September."

While open, "We have live music every Wednesday and every Sunday," she said.

Lumberjack's also has unique events from time to time.

"We did a dog adoption event with the Niagara SPCA. We're

doing another dog event with the Niagara SPCA on Thursday, Aug. 25, from 4:30-7:30."

"They're a no-kill organization, and I heavily support them," Tallichet added.

Lumberjack's is open from 11 a.m. to 9 p.m. weekdays, and from 11 a.m. to 10 p.m. weekends.

"I thank all of our patrons; and I want to say that I have the best staff there in all of New York," Tallichet said.

Best BBQ (ribs, chicken, pork) - The Brickyard Pub & B.B.Q.
432 Center St., Lewiston

Not all barbecue joints are created - or operated - equally.

Since it opened on Center Street two decades ago, the Brickyard Pub & BBQ has used authentic

smoking techniques to make its meats stand out.

"I think it all goes back to the original recipes, and we've stuck with them for going on 19 years," co-owner Ken Bryan said. "We had a friend of mine, a chef, come in and make us specialty recipes. When we originated the recipes, it wasn't one, two, three recipes, 'That's the one we like.' We must

have done 35 barbecue sauces. There was probably 20 different house rubs that we tried on wings.

"It's just a wide variety of things that we've stuck to, and from a quality level, we felt that we've just stayed with that also over the years. We haven't shied away from cost - and it's not cheap. Our 'Ultimate Platters' and what-

not - they're big portions; but they're expensive."

The Brickyard offers brisket, burgers, chicken, stews, salads and finger foods.

"Our ribs are those we picked years ago - the size and maker," Bryan said. "We went to different butchers, looked at different cuts."
